## SIMIODE Expo 2022- Sococo Instructions

Welcome to Sococo! Please read through the instructions below to see how you'll be using Sococo during SIMIODE Expo 2022. Below are some of the important dates/deadlines for the Expo:

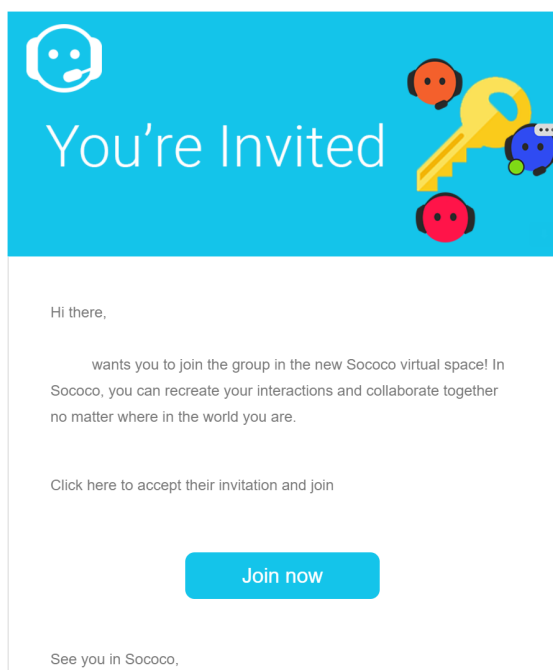

- All EXPO 2022 organizers, presenters, and moderators will be granted access to the conference Sococo platform at 8:00 AM Eastern US Time, 1 February 2022.
- All EXPO 2022 attendees will be granted access to the conference Sococo platform at 8:00 AM Eastern US Time, 9 February 2022.
- All poster materials (name and full affiliation, title, abstract, and poster - also video and files to leave in poster session private room for public viewing) are due to [Director@simiode.org](mailto:Director@simiode.org) no later than 5 February 2022.

It's important to note that Sococo only works through a **Google Chrome Web Browser** OR the **Sococo Desktop App on a laptop or desktop computer**.  
**No iPads or mobile devices.**

[Download the desktop app here: https://app.sococo.com/a/download](https://app.sococo.com/a/download)

### 1. **Sococo Email Invitation**

- a. You will receive by 9:00 AM Eastern US Time, 9 February 2022, or earlier an invite from Sococo, the conference platform to 'Join SIMIODE EXPO 2022 in Sococo. This email will come from [<noreply@sococo.net>](mailto:noreply@sococo.net). Click on the 'Join Now' button within the body of the email:

---

- b. Sococo will open a new window/tab where you will confirm your email address, enter a new password for your Sococo account and check that you agree to the terms of service and privacy policy. Then click 'Create Account'.

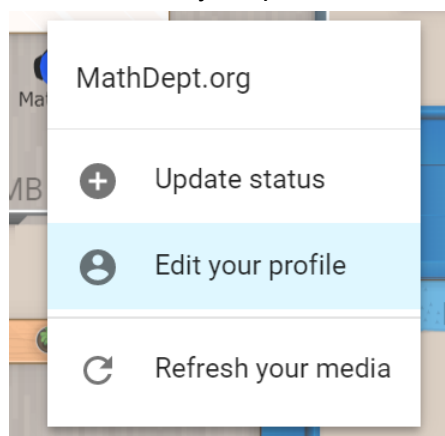

A screenshot of the Sococo account creation form. At the top is the Sococo logo. Below it, the text "Welcome to Sococo" is displayed. A message states: "Your email address and a password are your keys to the kingdom." There are two input fields: "Your Email \*" with a placeholder "@gmail.com" and "Your New Password \*" with a masked password "\*\*\*\*\*". Below the password field is a checkbox with a blue checkmark and the text "I agree to our [Terms of Service](#) and [Privacy Policy](#)". At the bottom, there are two buttons: "HAVE ACCOUNT" and "CREATE ACCOUNT".

### 2. Camera/Microphone Permissions

- a. Google Chrome or the Sococo Desktop app may ask for permission to use your computer's Camera and Microphone, click 'Yes' or 'Allow'

### 3. Edit Your Profile

- a. Your avatar will then populate into the conference space. Let's cover how to customize your avatar. First, right click on your avatar. For Mac users, control click on your avatar. Then select 'Edit your profile'

---

- b. Select your avatar's color and update your Sococo name and initials as you want them to appear when other's hover over your avatar. Click 'Save' when complete.

The screenshot shows a web interface for editing a profile. On the left, there is a blue avatar icon with the text 'MathDept.org' below it. Below the avatar is a section titled 'Pick a color for yourself:' followed by a grid of 48 colored circles. On the right, the 'Your Profile Information' section contains the following fields: 'Sococo Name' with the value 'MathDept.org', 'Sococo initials\*' with the value 'MD', 'First Name' with the value 'Math', 'Last Name' with the value 'Dept', 'Email Address' with the value '@gmail.com', and 'Language' with a dropdown menu set to 'Default'. At the bottom right of the form are 'CANCEL' and 'SAVE' buttons.

## 4. Moving Your Avatar

- a. To enter a new room simply click on the room name or double click anywhere within the room. To enter the room picture below you would click on 'Minisymposium/Contributed Talks'. You can also do a single mouse click anywhere within the current room to change your location in the room.

### 5. Chatting/Messaging in Sococo

- a. Chats can be started in a couple different ways. First, you can chat with a group in the same room as your avatar. In the top left corner of your Sococo window you'll see the 'Find' function and below that, the option to open the chat box for the room you're in. Simply click to open. The chat box will open in the bottom right corner of the Sococo window.

### 6. Finding Other Attendees

- a. The 'Find' function is a great way to look for particular individuals. Click on 'Find' just below the 'Home' button in the top left corner. Enter another user's name. You can now see that user's location and status and start a chat with that user directly. If that user is in the same space you will also see their avatar spotlighted on the map.

## 7. Video Chatting/Screen Sharing

- a. To open the embedded video teleconferencing click on the drop down arrow next to the Sococo icon in the top right corner of the screen. (Circled in yellow below)

- b. Click 'Turn on Microphone' and 'Turn on Video' to begin video chatting with other users in the same room as your avatar. To turn the video and microphone off simply click on the Sococo avatar itself.
- c. Anytime you move to a new room with Sococo you will need to turn your microphone and video on.
- d. To share your screen click 'Share Screen'

## 8. Joining Breakout Sessions and Keynotes

- a. All breakout sessions and keynote presentations will take place via Zoom. The zoom links will be connected to Sococo.
- b. To join the scheduled Zoom calls from any subgroup space click on the 'share icon' shown below, circled in red in the 'Plenary Zoom' room. The zoom call will open in another window. This same icon will be placed in other rooms to connect to the same talk scheduled for that time.
- c. You can click these icons from anywhere on the map.
