

MathDept.org

Gothenburg University - Sococo Instructions

- b. Sococo will open a new window/tab where you will confirm your email address, enter a new password for your Sococo account and check that you agree to the terms of service and privacy policy. Then click 'Create Account'.

The screenshot shows the Sococo account creation interface. At the top is the Sococo logo. Below it, the text reads "Welcome to Sococo" and "Your email address and a password are your keys to the kingdom." There are two input fields: "Your Email *" with a placeholder "@gmail.com" and "Your New Password *" with a masked password "*****". Below the password field is a checkbox labeled "I agree to our [Terms of Service](#) and [Privacy Policy](#)". At the bottom, there are two buttons: "HAVE ACCOUNT" and "CREATE ACCOUNT".

i.

2. Camera/Microphone Permissions

- a. Google Chrome or the Sococo Desktop app may ask for permission to use your computer's Camera and Microphone, click 'Yes' or 'Allow'

3. Edit Your Profile

- a. Your avatar will then populate into one of the Sococo spaces you were invited. Let's cover how to customize your avatar. First, right click on your avatar. For Mac users, control click on your avatar. Then select 'Edit your profile'

5. Chatting/Messaging in Sococo

- a. Chats can be started in a couple different ways. First, you can chat with a group in the same room as your avatar. In the top left corner of your Sococo window you'll see the 'Find' function and below that, the option to open the chat box for the room you're in. Simply click to open. The chat box will open in the bottom right corner of the Sococo window.

i.

6. Finding Other Attendees

- a. The 'Find' function is a great way to look for particular individuals. Click on 'Find' just below the 'Home' button in the top left corner. Enter another user's name. You can now see that user's location and status and start a chat with that user directly. If that user is in the same space you will also see their avatar spotlighted on the map.

7. Video Chatting/Screen Sharing

- a. To open the embedded video teleconferencing click on the drop down arrow next to the Sococo icon in the top right corner of the screen. (Circled in yellow below)

- i.
- b. Click 'Turn on Microphone' and 'Turn on Video' to begin video chatting with other users in the same room as your avatar. To turn the video and microphone off simply click on the Sococo avatar itself.
- c. **Anytime you move to a new room with Sococo you will need to turn your microphone and video on.
- d. To share your screen click 'Share Screen'

8. Joining Breakout Sessions and Keynotes

- a. All breakout sessions and keynote presentations will take place via Zoom. The zoom links will be connected to Sococo.
- b. To join the scheduled Zoom calls from any subgroup space click on the 'share icon' shown below, circled in red in the 'Plenary Zoom' room. The zoom call will open in another window. This same icon will be placed in other rooms to connect to the same talk scheduled for that time.
- c. **You can click these icons from anywhere on the map.
